## School Forward

We are pleased to present both our Standards and Quality Report for Session 2019– 2020 and our School Improvement plan for the current session 2020 -2021. This report forms part of our quality improvement framework and provides important information regarding our school's progress to date and identifies our next steps in school improvement.

**Self-Evaluation for Self-Improvement** is at the heart of our practice in Elrick school. We continue to develop our practice in making robust use of evidence as a basis for judgements regarding the impact of our work on our learners.

**How are we doing?**

**How do we know?**

**What are we going to do now?**

**Looking inwards** to analyse our work

**Looking outwards** to find out more about what is working well for others locally and nationally

**Looking forwards** to gauge what continuous improvement might look like in the longer term

At Elrick we continue to be committed to working closely with our community and all other stakeholders that support the education we provide. Together we are working hard to ensure all our pupils get the best possible start in life and are enabled and encouraged to maximize their potential.

We realise that within education things never stand still or stay the same. We continue to strive to meet the changes and challenges. Through this document we hope that you will get a sense of our developments, successes and areas for further growth.

Head Teacher

## **The School and its context**

Elrick School is situated within the community of Westhill, close to the boundary between Aberdeenshire and Aberdeen City. It is one of 4 primary schools within the Westhill community and most pupils transition to Westhill Academy. The local area has a number of private and local authority pre-school providers to support early education for our younger learners. Within Elrick School we have a nursery for ante-pre and pre-school pupils. The school roll in August 2020 was 394 pupils in P1-7 and 48 pupils in Nursery.

The school is a large, mainly open plan, learning environment with a separate building for the nursery. We have some closed classrooms, smaller group work areas and shared areas which are used as part of learning and teaching. We also have a multi-purpose hall which is used for P.E, assemblies, performances and school lunches.

School lunches are cooked on site and provide a selection of hot and cold meals to all pupils. Pupils in primary 1-3 are entitled to free school lunches and the school uses an on-line payment system for payment of lunches.

At Elrick we promote an ethos of inclusion, within which everyone is listened to, valued and encouraged to participate fully in the life and work of the school community. Collaborative working is a key feature of Elrick, among staff, pupils and parents. Many staff are trained in Co-operative learning and therefore this approach, which has its foundation in developing life skills while learning with and from others, is implemented by staff. The development of learning progressions both knowledge and skills, supports learners to develop the skills which they need both now and in the future.

Elrick School is a place where we learn, develop and grow in partnership with our families and the wider community. In building this we promote values and develop ethos across the whole school community.

## **Vision, Values and Aims for the school**

At Elrick Primary School our overarching aim is to provide our young learners with opportunities to experience and develop the skills and attitudes needed to become ***Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors.***

Our rainbow underpins all that we do to support learners achieve the best they can. We are all committed to work together to provide a learning environment which promotes the following vision and values. This rainbow is shared through all our improvements and learning with families and staff.

**What do we aim to achieve for our children/pupils?**

Working together we aim that Elrick School provides the opportunities:

To be a place where we are all encouraged to be the best we can

To acknowledge success and effort

To work with parents and the community

To encourage healthy choices

To explore new ideas and technologies

To provide opportunities for everyone to learn in a stimulating and motivating atmosphere

To promote a greater understanding of how we can all contribute to improving the world around us

To treat everyone as you would like to be treated yourself

## **Ethos, community links and partnerships**

Community links are a valued part of school life. Elrick School has a very supportive Parent Council, with class reps supporting parents and school in gathering and sharing feedback. This group actively supports improvement activities and raise additional funds to provide many extras for the pupils in the nursery and school.

We offer many opportunities for our learners to enjoy first-hand experiences outdoors, utilising our own outdoor environment as well as other local areas such as Arnhall Moss. Such experiences motivate our children to become successful learners and to develop as healthy, confident, enterprising and responsible citizens.

We also have many business links which help to develop our young workforce, preparing our pupils for the world of work. We are a BP link school through which our children benefit from close working with staff at BP. We also have close links with other members of the community and companies such as Subsea 7, TAQA, Westhill Rotary Club, Tesco, our local church, the local ranger, men's sheds, local sports clubs and many others. Throughout the year we work together with our partners to develop and enhance the learning experiences for our children.

## Impact of our developments

In this section we will outline the Targets we set last session and identify the progress we have made during session 2019-2020.

<b>Key priority 2020-2021</b>	<b>Key actions undertaken</b>	<b>Impact (achieved throughout 2020-2021)</b>
<b>To support the recovery of learning at Elrick School and Nursery, ensuring all are supported to transition back to school and engage with the 'new normal'.</b>	<ul style="list-style-type: none"><li>- Staff engaged in 'Emotion Coaching' training to further support children in understanding and dealing with emotions</li><li>- Outdoor learning opportunities planned as part of the curriculum to enhance learning experiences and engagement with the local environment</li><li>- Staff working together with a shared vision, values and aims</li><li>- Additional staffing to support the return to school</li><li>- Increased use of technology to support learning and engagement</li><li>- Focus on promoting positive health and wellbeing</li><li>- Play based approaches developed in the Early Years to support positive social skills, early development and relationships</li><li>- Risk Assessments reviewed and updated as per guidance and shared with all stakeholders through school website</li></ul>	<p>Activities focusing on emotions are much more widely used across all the classes and children and staff have an increased awareness of how children may be feeling and any support that may be appropriate. Children are confident to talk about their feelings and the feelings of others. They understand why people may feel a particular way in a given situation.</p> <p>Staff are using the outdoor environment much more as a tool to enhance teaching and learning and support positive health and wellbeing. Children are engaging positively, keen to explore the local environment and what it has to offer.</p> <p>Digital Literacy has been embedded across the school and nursery. Staff, pupils and families are able to connect using various platforms such as Teams, Seesaw, Marvellousme and email. Children are able</p>

		<p>to access and use a variety of software and APPS to support and complement their learning.</p> <p>Play based approaches continue to be embedded in the Early Years, although free flow play has been challenging with COVID restrictions. Staff continue to plan contexts for learning and play which stem from the children’s interests and capture their imagination.</p>
<p><b>To increase pupil engagement in learning.</b></p>	<ul style="list-style-type: none"> <li>➤ More outdoor learning taking place</li> <li>➤ Increased use of technology</li> <li>➤ All staff engaged with reading (Paul Dix) to ensure consistency in positive behaviour management. ## How good is our leadership and approach to improvement?

### QI 1.3 Leadership of change

Developing a shared vision, values and aims relevant to the school and its community

Strategic planning for continuous improvement

Implementing improvement and change

**Relevant NIF priority: All**

**Relevant NIF driver(s): School leadership, Teacher professionalism, School improvement**

**Level of quality for core QI: 4 GOOD**

**(HGIOS?4/HGIOELC? 1-6 scale)**

**How well are you doing?**

**What's working well for your learners?**

#### **Overview:**

Leadership of Change, Q.I 1.3 is key to driving improvements at Elrick School. Through professional development and review meetings staff are support to develop their own practice and use this to enhance the provision for all pupils. The staff are very committed to their own professional development and how this impacts on learning and teaching across the school. Collaborative working is evident from nursery to P7 through working groups, collegiate sessions and working within their own stage or remit. Evidence for change is in place through a variety of sources. Senior leaders ensure that any improvements are planned and supported by evidence and also result in a positive outcome.

#### **1.3 Key strengths:**

- All staff have a very clear understanding of the social, economic and cultural context of the local community.
- Our class and playground charters are based on the school Vision, Values and Aims.
- The school continues to have a focus on supporting learners succeed through quality feedback.
- Through staff development, meetings and working groups all staff are involved in the process of change.
- The updated positive behaviour policy was developed with staff, parents and pupils and the impact is regularly evaluated and reviewed accordingly.
- The senior leadership team support to take responsibility for change, through an evidence-based approach
- Staff have a good knowledge of tools to support self-evaluation including GTCS standards and HGIOS4 and have been committed to taking lead roles in school improvement through working groups to benefit outcomes for all our young people. All staff at are reflective and ambitious to improve the school. They know what they need to do to improve the school because they are continuously evaluating the quality of their work and the impact of changes.
- Staff engage with professional learning/CLPL opportunities through ALDO. Leadership roles are encouraged and taken on by a range of staff to support school developments.
- Staff are familiar with HGIOS4 and have been involved in activities to 'unpack' the relevant Quality Indicators and self-evaluate against these.

- Regular review and discussion around planning, classroom practice and feedback designed to have an impact on the quality of learning and teaching for learners, with clear links to quality indicators and improvement plan priorities.
- School improvement takes place in the in the context of the school's values and vision
- Self-evaluation is key to school improvement and all stakeholders are involved in evaluating progress and identifying next steps for improvement.
- Staff are becoming more confident in using assessment data to support planning for next steps.

#### **How do you know?**

##### **What evidence do you have of positive impact on learners?**

- Practitioner enquiry is evident throughout the school and used to support school improvement. In recent years, pupils have benefitted from a focus on 'Making Thinking Visible' and play-based approaches in the Early Years. Children across all stages have been introduced to and are able to talk about 'thinking routines' to support their learning. Play has been a strong feature of the Early Years curriculum and staff have developed policy and guidelines to support this approach based on research and evidence.
- Staff are committed to change which results in positive outcomes for learners, trying new approaches and evaluating and improving as required.
- The Senior Leadership team support staff by encouraging innovative and creative ideas and timetabling opportunities for staff to share and reflect through the working time agreement and collegiate hours.
- Staff feel empowered to try new initiatives and develop ideas.

#### **What are you going to do now?**

##### **What are your improvement priorities in this area?**

- Expectations regarding behaviour to be reviewed and discussed to support a consistent and agreed approach with staff, pupils and parents.
- Positive Relationships and Anti-bullying policy to be embedded and children to be active participants in the creation and roll out.
- Working parties to continue to support identified improvements for 2021-22 and reduction in workload
- Ensure that all improvements are based on evidence, involve all partners and impact is reviewed then shared.
- Continue to use 'How Good is OUR School?' to support further development of pupil involvement in self-evaluation and improvement planning.
- All staff will continue to be involved in Making Thinking Visible, supported by local authority training for identified staff member and partners across the cluster. Thinking strategies will become embedded into learning routines.
- Staff to engage more often in reflective dialogue with learners using see-saw app to support children in evaluating their own learning and next steps and sharing this with parents.
- More time to be given to embed initiatives and evaluate impact on learners.
- Staff to look at how they record and use assessment evidence and evaluations.

## How good is the quality of care and education we offer?

### **QI 2.3 Learning, teaching and assessment**

Learning and engagement

Quality of teaching

Effective use of assessment

Planning, tracking and monitoring

**Relevant NIF priority: All**

**Relevant NIF driver(s): Teacher professionalism, School leadership, Parental engagement, Assessment of children's progress**

**Level of quality for core QI: 4 GOOD**

**(HGIOS?4/HGIOELC? 1-6 scale)**

**How well are you doing?**

**What's working well for your learners?**

#### **Overview:**

At Elrick School staff underpin their learning and teaching with the schools' vision, values and aims. They take into consideration the local community – both physical and economic when planning learning.

#### **2.3 Key strengths:**

- Children's progress and developments are based around their individual needs and ability, taking into consideration a wide range of evidence of a child
- Staff plan across their year groups to ensure consistency and as part of a moderation process
- All staff show commitment to the development and wellbeing of learners as individuals.
- Children and young people are safe, treated fairly and are protected by appropriate Child Protection and Safeguarding policies.
- Staff have familiarised themselves with literature to support their understanding of the key principles underpinning effective teaching and learning and are using this knowledge to improve their practise. Staff regularly share good practise with their colleagues to help improve teaching and learning and ensure consistency in approaches.
- Education Scotland Benchmarks are being used in Literacy, Numeracy and Health and wellbeing. Using these, in conjunction with a range of sources of assessment evidence, staff are becoming more confident in making judgements about children's progress within a level.
- A key focus on feedback is leading to improved outcomes for learners
- Planning uses the National Benchmarks and Aberdeenshire Frameworks, this ensures consistency across the school. This is monitored by regular tracking and monitoring meetings with the senior management team
- Teachers long term planning identifies the agreed areas and outcomes over the school year
- Tracking and monitoring meetings support and target identified pupils through a 20%/60%20% process
- Data at individual, group, class and school level is used to target specific learning

- Reporting to parents uses clear, concise language based on a wide range of evidence

### How do you know?

#### What evidence do you have of positive impact on learners?

- The ethos and culture of the school is based on positive relationships and a commitment to children's rights.
- In all classes, teaching is underpinned by our school vision and values and staff are committed to getting it right for all pupils. This is evident in the range of teaching approaches visible in the school including appropriate use of technology to support learning.
- Staff have accessed and applied relevant findings from educational research to improve learning and teaching (eg. MTV, Play-based approached and promoting positive behaviour).
- A variety of assessment approaches are used to identify where children are with their learning and support decisions made around next steps. This is done in collaboration with ASL and SLT to ensure appropriate support is in place.
- Tracking and monitoring are well understood and used effectively to identify support needs and plan targeted support where required.
- School moderation has supported consistency in professional judgements and expectations within a level.

### What are you going to do now?

#### What are your improvement priorities in this area?

- Development of the use of play and open-ended learning opportunities to develop skills and knowledge across the school.
- Encouraging children to be 'Leaders' of their own learning and take an active role.
- Continue to develop high level feedback through Making Thinking Visible.
- Further development of a learning, teaching and assessment policy which summarises the approaches, key resources and processes Elrick School uses across all the curricular areas
- Children's rights at the centre of all planning.
- Emergent literacy approaches further developed beyond nursery and P1 to a whole school approach (Also a Westhill cluster priority)
- Continue to develop our moderation practices both in school and with schools within the cluster in order to further develop a shared understanding of standards and what a level looks like. This should include seeking opportunities for planning with colleagues. Literacy to be a focus for moderation in particular this session.
- Increase pupil involvement/confidence in reviewing their learning and becoming more able to articulate their progress and identify next steps.
- Further develop outdoor opportunities and look at how these are planned for across the curriculum to ensure high-quality outdoor learning.
- Create further opportunities for pupils within the school to develop their skills for learning, life and work.
- Ensure Assessment is integral in planning stages of teaching and learning, with a wide variety of assessment approaches to allow learners to demonstrate their K & U, skills attributes and capabilities in different contexts across the curriculum.

- Analysis of SNSA data at P1 and P4 as well as P7

## How good are we at improving outcomes for all our learners?

### **QI 3.1 Ensuring wellbeing, equality and inclusion**

Wellbeing

Fulfilment of statutory duties

Inclusion and equality

**Relevant NIF priority: All**

**Relevant NIF driver(s): Assessment of children's progress, School improvement, Performance information**

**Level of quality for core QI: 5 VERY GOOD**

**(HGIOS?4/HGIOELC? 1-6 scale)**

**How well are you doing?**

**What's working well for your learners?**

#### **3.1 Key strengths:**

- Staff have a shared understanding of wellbeing and rights which is updated through annual GIRFEC training. Staff fully understand their responsibilities in relation to Child Protection. Our commitment to GIRFEC is underpinned by good communication and relationships with partner agencies to ensure the best outcomes for all.
- The whole school has the same expectations for behaviour and staff model this in their daily practise and routines.
- The school has a positive partnership with both internal and external agencies who work together to support children
- The school continues to adopt a dyslexia and autism friendly approach, toolkits to support this are available in classrooms and strategies suggested by IPT have been used to support autistic needs. Nurture approaches are used throughout the school. Most staff have completed Dyslexia training.
- Plans are in place to meet the needs of children with ASN, and class teachers are aware of their responsibility in making adaptations to the learning environment and curriculum to ensure the best outcomes for all. Support is utilised well from colleagues and partner agencies.
- Through a structured and organised health and well-being programme, pupils are aware of equalities and discrimination
- The school has worked in partnership with the Parent Forum to begin to improve the outdoor area around the school, with successful purchase of 2 outdoor classrooms, picnic benches and equipment
- Each class agrees a class charter, linked to the wellbeing indicators and the United Nations Convention on the Rights of the Child
- Teaching staff use Aberdeenshire's staged intervention process to support learners across the school
- Our working groups help ensure that all pupil voices are heard and help make decisions to improve the school

- Regular opportunities are planned for parents to find out about their children's learning, share experiences and meet staff
- Restorative conversations are part of supporting the pupils resolve situations as part of our school positive behaviour policy

#### How do you know?

##### What evidence do you have of positive impact on learners?

- Upper stages children engaged in self-evaluation using 'How good is OUR School? – Our Relationships'. Almost all pupils felt safe and secure at Elrick School and said they felt that the teachers cared about them and listened to their views.
- The wellbeing indicators are integral to teacher assessment and planning next steps in Health and wellbeing.
- All staff have completed refresher in GIRFEC and Child Protection and are sensitive and responsive to the wellbeing of individual children.
- Staff show sensitivity and understanding towards the wellbeing of colleagues, providing support when needed.
- Children can talk about the school vision and values and can make links with their class charter and what is expected from them.
- Restorative language is used more frequently in supporting conflict resolution.
- Individual support plans are in place for those who require targeted support and intervention. These are regularly reviewed in collaboration with pupils, parents and multi-agency partners.

#### What are you going to do now?

##### What are your improvement priorities in this area?

- Continue to engage children across all stages in self-evaluation using 'HGIOURS?' to ascertain their views on 'Our Relationships' and identify next steps for improvement.
- Continue to support children in building resilience, there is some improvement in this area but still a barrier to learning and social skills
- Introduction and training in use of Zones of Regulation
- Increase children's awareness of the well-being indicators through health and well-being sessions
- Supporting pupils to fully understand the impact of their actions on others in school and in the community through a focus within health and well-being on discrimination and intolerance and celebrating the diversity within the local community
- Continue to look at the universal offer of support for all our children, promoting an inclusive culture and ethos through positive relationships.
- Single Service Action Plans to be created in consultation with families to ensure adequate support in place to meet individual needs
- Continue to engage families in understanding how we support all learners through this culture and ethos
- Review anti-bullying policy and positive relationships policy to take in to account local and national legislation and advice and views of stakeholders
- Staff to incorporate restorative circles into their weekly routine and use this as a forum for embedding values

- Outdoor learning to be embedded in to teaching and learning.

### QI 3.2 Raising attainment and achievement

Attainment in literacy and numeracy

Attainment over time

Overall quality of learners' achievement

Equity for all learners

**Relevant NIF priority: All**

**Relevant NIF driver(s): Assessment of children's progress, School improvement, Performance information**

**Level of quality for core QI: 5 VERY GOOD  
(HGIOS?4/HGIOELC? 1-6 scale)**

**How well are you doing?**

**What's working well for your learners?**

#### Key strengths:

- Attainment across all stages of the school continues to be good with most pupils achieving the appropriate benchmarks and data showing increased attainment in Reading (P1 and P7), Writing (P1, P4, P7), Listening and Talking (P1 and P4) and Numeracy (P4 and P7) - see tables below.

Attainment Data 2019/20 – Levels achieved

	P1 (%)	P4 (%)	P7 (%)
Reading	75%	80%	87%
Writing	73%	74%	83%
Listening and Talking	88%	86%	92%
Numeracy	85%	86%	89%

Attainment Data 2020/21 – Levels achieved

	P1 (%)	P4 (%)	P7 (%)
Reading	87%	80%	87.7%
Writing	83%	76.9%	87.7%
Listening and Talking	96.2%	86.2%	87.7%
Numeracy	83%	90.8%	89.5%

- Tracking and monitoring of pupils' attainment is planned and regular, using a whole school tracker updated at agreed points during the year, tracking and monitoring meetings with individual class teachers using a 20/60/20% model
- Regular assessment identifies a child's current skills and ability and teaching staff use broad, fluid groupings to target learning appropriately

- Use of pupil support assistants and additional support needs teacher is targeted to support individuals succeed both socially and academically

#### How do you know?

#### What evidence do you have of positive impact on learners?

#### **Elrick School uses a variety of evidence and evaluation activities to identify pupils' current attainment and achievement including:**

- Teacher professional judgement of how a child is progressing day by day in their learning and social skills
- SNSA (Scottish National Survey of Achievement) planned for P1,4 and 7
- Use of a variety of summative assessment materials such as Emergent Literacy tracker for early years, maths assessments linked to particular topic pre and post teaching input, highland literacy assessments
- Formative assessments are used across all classes for staff to identify progress and highlight any misunderstandings
- Sharing achievements through achievement wall and within classes
- Use of consistent and agreed writing criteria to assess children's writing
- Moderation of pupils' learning across the stages and with cluster schools

#### What are you going to do now?

#### What are your improvement priorities in this area?

- Further moderation around Listening and Talking to ensure a consistency in expectations within a level.
- Staff to work collaboratively in assessing needs and identifying barriers to learning such as Dyslexia.
- Improvement of grammar progression to ensure appropriate pace and challenge across the school
- Staff to explore approaches to increase pupil engagement, with a particular focus on literacy
- Continue to develop a 'Growth Mindset' culture to encourage pupils to challenge their learning by giving things a go and persevering.
- Staff to be more consistent in praise and rewarding of achievements. Wall of Excellence to be introduced in each class. Wider achievements to be tracked and any gaps highlighted.
- Life skills need to be further embedded and applied across the curriculum and beyond the formal classroom.
- To develop a robust and manageable means of planning and assessing teaching and learning, linking it to Aberdeenshire Frameworks to ensure quality, pace and challenge.
- See saw to be embedded as a profiling tool to enhance parental involvement and encourage learning dialogue both at home and school, allowing opportunities to share learning experiences and track progress.

## PEF 2021-2022

<b>Identified gap</b>	Nearly all of the children at Elrick fall into deciles 8- 10. Although there are no children classed as living in deprivation at Elrick, we always aim to provide the best quality education for everyone. Health and wellbeing has been identified as a priority this year, with a focus on supporting children's anxiety and emotional wellbeing.
<b>Expenditure</b>	Elrick was allocated £7,049 for session 2021-22. Due to the current situation and previously highlighted concerns it was decided that this money would be used to maintain the additional 21 PSA hours funded during last session. The focus of this is: <ul style="list-style-type: none"><li>• To support children to develop strategies and techniques which will support their resilience and positive mental health both in the classroom and playground environment.</li><li>• To support the development of emotional literacy across the school.</li></ul>
<b>Expected outcomes</b>	Children will feel safe, valued and included in both the classroom and playground environment and will feel confident that support is available if required. Children will be more confident in dealing with conflicts. Fewer incidents of negative behaviour in both the classroom and playground.  Increased pupil engagement and achievement.
<b>Impact Measurements</b>	<ul style="list-style-type: none"><li>• Abilities of children prior to intervention (TMR spreadsheet, evidence from teachers, work samples)</li><li>• Initial and regular assessment and gathering of data to continually monitor progress</li><li>• Tracking pupil engagement both socially and academically</li></ul>

## Wider Achievements and Community Links During 2020/21

***Memories are made of this:***

***(These are some of the many achievements across all aspects of learning at Elrick School during the year 2019-2020)***

P7 Activity Days

All classes participated in health and wellbeing sessions as part of the A.L.E.C programme and always love seeing Harold the giraffe!

All classes participated in Health Week.

All classes have used Arnhall Moss as a learning environment and have engaged in regular outdoor learning experiences.

All classes contributed to supporting the local community by producing a Christmas Dance, writing letters/cards and drawing pictures which were shared with the elderly.

Football training and some matches were able to go ahead with appropriate COVID measures in place. Well done to all our footballers and a big thanks to all our volunteer coaches.

The Parent Council organised a number of virtual fundraising activities across the year and this supported the school with funding subscriptions to support online learning, new chrome books, outdoor equipment and classroom resources.

### **Capacity for improvement**

School and Nursery staff are fully committed to the principle of continuous improvement. We wish to provide the very best for every child in our care. In this task, we are increasingly advised by performance data, such as pupil attainment data, so we can see clearly 'what' we need to improve.

We will continue to look inwards, outwards and forwards to prepare and equip our young people for their future. We will continue to work in partnership with parents, health professionals, and others to 'get it right' for every child.

### **Key priorities for session 21/22**

**Priority 1 – Improved Attainment and Achievement**

**Priority 2 – Improved Health and Wellbeing**

**Priority 3 – Ensure learners develop the skills for learning, life and work**
