

# P2AC Classroom Newsletter Term 4

## Areas we will be working on this term for Numeracy

### Number and Number Processes –

- I can show increased confidence and accuracy when solving addition and subtraction problems.
- I can count in tens forwards and backwards within 100 from different numbers.
- I can show my understanding of the rule for rounding involving half way between, for example 5 and above is rounded up, below 5 is rounded down.

### Beyond Number – Time and Data handling

- I can tell the time using half past, quarter past and quarter to using analogue and digital 12-hour clocks.
- I can record 12-hour times using am and pm.
- I know the number of seconds in a minute, minutes in an hour, hours in a day.
- I can sort information using Venn and Carroll diagrams.
- I can ask and answers questions to extract key information from a variety of data sets.

## Areas we will be working on this term for Literacy

### Reading –

Please remember that we are continuing to allocate some on-line reading books through Active Learn Bug Club. There is a new band of books waiting for your child to select from and enjoy reading together. Don't forget to click on the bugs throughout the book to answer quiz comprehension questions to earn coins which you can spend on rewards in one of the reward areas.

### Listening and Talking

This term we will be re-visiting our Talking Boxes. This term's theme will be a place you have enjoyed visiting or somewhere you would really like to go.

We will send out dates for your talk soon.

### Writing – Recount/Retelling a story

- I can recount the main events from a story
- I can organise the events in a logical order
- I can extend my writing and add more detail by using joining words and describing words.
- I can try to use spelling strategies to help me spell the most common words.

## Health and Wellbeing and other Curricular Areas

### Health and Wellbeing

- We will be discussing the correct names for different parts of our bodies and will learn about how they work.

### French

- We will be learning the French vocabulary for numbers 0-10 and will use these as we communicate through conversation, songs and games.

### Expressive Arts

- We will be exploring the visual elements of tone and texture.

### Science

- We will be observing and recording the weather and learning about how climate affects living things.

### Technologies

- We will be developing our coding skills by learning how to create programs using Beebots and Scratch Garden.

## Supporting Your Child at Home

### Reading/Writing – recount/retelling main events from a story or experience

Practise retelling your reading book or favourite stories from home to an adult or sibling. Think about the key parts/events in the story and the order in which they happened. Create a story map to go along with your story or try making some character puppets to re-enact the story.

### Maths

- At home and in your local surroundings look for representations of time shown on clocks.
- Discuss what times the children do certain activities e.g., wake up time, dinner time, school time, bed time.

## Weekly Timetable

<b>Monday</b>	<ul style="list-style-type: none"> <li>• New Homework issued</li> </ul>
<b>Tuesday</b>	<ul style="list-style-type: none"> <li>• P.E.</li> </ul> (Remember to come dressed for P.E)
<b>Wednesday</b>	<ul style="list-style-type: none"> <li>• Art</li> </ul>
<b>Thursday</b>	<ul style="list-style-type: none"> <li>• P.E.</li> </ul> (Remember to come dressed for P.E)
<b>Friday</b>	<ul style="list-style-type: none"> <li>• Homework to be returned</li> </ul>

## Things to Remember

- **Pupils should bring their reading books into school every day – for using with class activities and to pass on to other classes when needed.**

## Our Achievements

We will continue to celebrate the children's success in and out of school. If there is anything your child would like to share, such as an achievement in an after school club or something they have worked on at home, please let us know and they can share their achievement with the class.

Alternatively, if you would like to, please share any achievements via SEESAW.

## Dates for the Diary

**Health Week – Wk beg. 16<sup>th</sup> May**

**Sports day – 18<sup>th</sup> May**

Holidays – Thurs 2<sup>nd</sup> and Frid 3<sup>rd</sup> June (Queen's Platinum Jubilee)

End of Term – 1<sup>st</sup> July
