

P6C Newsletter- Term 3

Timetable:

Monday- Class PE, Homework to be handed in.

Tuesday- French with Mme Coles

Wednesday- Health and Wellbeing with Miss Anderson, Homework handed out

Thursday-

Friday- Class PE

Important Dates:

Friday 11th and Monday 14th February- Holiday

Tuesday 15th and Wednesday 16th- Inservice days

Literacy:

In reading we will be focussing on answering a range of literal and inferential questions, focussing on using supporting evidence in our answers.

In writing we will be looking at information reports and persuasive writing.

Maths:

Our major focus this term will be fractions, decimals and percentages. We will revise concepts previously learnt in this area. It would be helpful if the children could practice multiplication and division facts to support this topic.

We will also be looking at measure.

Health and Wellbeing:

Miss Anderson will be covering smoking and drugs, looking at the effects and dangers. In class we will be looking at body image and emotions.

Learning Across the Curriculum:

To start with this term we will be looking at Space and then moving on to looking at forces and how these affect our lives.

Please ensure children have a jacket every day (even if the weather looks good).

A change of indoor shoes would be useful as the weather deteriorates.

A reminder that the school day now starts at 9am. Any children arriving after that time will be marked as late.

Class Charter:

In P6C we show:

- ❖ Respect
- ❖ Honesty
- ❖ Teamwork

You can support your child by:

Encouraging them to read a wide variety of texts.

Sharing news and current events. Newsround is a useful programme to watch together.

Practise maths using games and real life contexts. TopMarks has a wide variety of games covering all concepts.

Encourage your child to organise themselves by bringing all necessary equipment to school as needed.
