

Family Engagement Survey

April 2022

Research shows that when schools, parents, and wider community work together they achieve the most positive outcomes for young people. At Elrick School and Nursery we aim to foster positive relationships and create an ethos which encourages strong partnership working.

In April 2022, we surveyed our families to gather thoughts on how we can improve Family Engagement at Elrick. The table below illustrates what our families wanted and what we are doing to take this forward.

You said . . .	We did . . .
